

# Wildlife Alliance

## Kouprey Express Monthly Report

### July 2019

#### Mobile Environmental Education Project Activities

##### Summary Achievement:

- Raised awareness on wildlife and habitat protection lesson with a total of **796 (446 females) students** among two provinces, Kampong Speu and Prey Veng province.
- Held five the PTWRC trips with a total of **611 (327 females) teachers and students** among three provinces, Kampong Speu, Prey Veng, and Kampong Thom province.

##### **August 8-10, 2019**

The KE conducted wildlife and habitat lesson with **549 (299 females) students** from grade 3-6 at Akka Mohesey primary school in Kampong Speu province. Those students received a notebook, pen, wildlife rescue hotline sticker, and some lucky students won WA t-shirts during the Q&A session.

##### **August 11-13, 2019**

As part of awareness on wildlife and habitat conservation the KE team brought **372 (186 females) students and teachers** from Akka Mohesey Primary School to visit PTWRC to increase complement their conservative knowledge after the classroom lesson.

### **August 23-24, 2019**

The KE Team was invited by MCC to provide wildlife and habitat protection lesson to **247 (147 female) students** from grade 4-6 at Prey Veng province among three schools, Svay Chou primary school, Krang Kaaek, and Prum primary school.

### **August 26, 2019**

The KE team conducted a trip to PTWRC with **186 (110 females) teachers and students** from three primary schools in Prey Veng province to increase their awareness of environment in protection the natural resources, wildlife and forest.

**August 30, 2019**

Supported by US embassy the KE team have been working with access program's students across in Cambodia. We have brought many teachers and students of access program with 3 schools to visit PTWRC for time ago and this is Baray high school, the 4<sup>th</sup> school of access from Kampong Thom province, Baray district with **53 (31 females) teachers and students**. These students had completed the classroom lesson before the PTWRC trip since April.
