Onwards Journeys

Taxi - If you arrived by taxi, it is best to try to use the same taxi for your onwards journey. If you arrived by a different mode of transport but need a taxi for your onwards journey, we have the contact for a driver who is local to Chi Phat and we can help arrange this for you (email us wildlifetourspt@wildlifealliance.org).

Bus – For onwards bus journeys, you can follow the 'getting to WRS' guidelines in reverse. Our guides can help you with booking bus journeys that begin in Koh Kong (Koh Kong - Phnom Penh, or Koh Kong to Kampot) during your stay if needed. The guides will also make sure that you are in the right place at the right time to meet the bus.

Extra information

Luggage – If your luggage is oversized, you can store it in the Chi Phat Welcome Centre and take only what you need to the release station. If you need everything or are not happy to store it at the Welcome Centre, you may need to pay for an extra motorbike to transport it safely for \$20, this will need to be arranged in advance.

Lunch at Chi Phat Welcome Centre – If you are arriving in Chi Phat Village around lunchtime and would like to enjoy lunch in the community before travelling on to the station or to your next destination, this can be arranged directly with the [Chi Phat Welcome Centre team](#) for around \$3 per person. The food is delicious, and this is a nice way to support the community when you are passing through.

Arriving after 3pm – 3pm is the latest that it is safe to transport guests by motorbike from Chi Phat Village to the station, allowing enough time before sunset in case of any problems. If you know that you will arrive later than this, please arrange accommodation in [Chi Phat Village](#) to stay for at least one night. Our guides are happy to meet you as early as 8am the following day to take you to the station to start your visit.
